Svitlana Symonenko

has completed the following course:

HOW TO TEACH ONLINE: PROVIDING CONTINUITY FOR STUDENTS FUTURELEARN

This course offered a practical approach to moving teaching and student support online rapidly. Learners reflected on their own work, adapted their approaches, and connected with a global community of educators in order to get started and keep going with online teaching in uncertain times.

3 weeks, 2 hours per week

Matt Jenner
Head of Learning
FutureLearn

 **Svitlana Symonenko**

has completed the following course:

**HOW TO TEACH ONLINE: PROVIDING CONTINUITY FOR STUDENTS
FUTURELEARN**

This course offered a practical approach to moving teaching and student support online rapidly. Learners reflected on their own work, adapted their approaches, and connected with a global community of educators in order to get started and keep going with online teaching in uncertain times.

STUDY REQUIREMENT

3 weeks, 2 hours per week

LEARNING OUTCOMES

- Develop plans to set your students up for success
- Create and share approaches and techniques for maintaining continuity while moving teaching and learning online
- Discuss the benefits and challenges of moving classes from face-to-face to online
- Identify techniques and approaches for engaging your students online
- Adapt your practice to the online context
- Collect, review and evaluate student feedback on your new approaches
- Discuss how to manage the personal impact of teaching online

SYLLABUS

- Getting started with online teaching
- Preparing your students for successful online learning
- Using tools designed for creating, sharing and re-mixing plans for learning
- Building and sharing a library of learning designs as a community of teachers
- Bringing lessons learned from teaching online into your everyday practice
- Collecting and responding to student feedback

- Reflecting on how we teach online and making iterative improvements
- Navigating the personal impact of teaching and learning online
