VIZJA UNIVERSITY

Funded by the European Union

Issued in Warsaw, Poland, on 20 August 2026

CERTIFICATE OF COMPLETION

of the International Academic Internship Programme

This certifies that

Viacheslav Latosha

has successfully completed the international academic internship entitled:

"EU Green Transition, Territorial Synergy and Resilient Infrastructure"

conducted within the thematic framework of the ROAD2EU project

"Roadmap for Integrating EU Policies and Strategies on Economic, Social, and Territorial Synergy in Polish Higher Education through Digital European Studies"

Grant Agreement No. 101235886 — ROAD2EU — ERASMUS-JMO-2025-HEI-TCH-RSCH, funded by the European Union.

The internship lasted 180 hours
(equivalent to 6 ECTS credits)
between 15 June 2026 and 20 August 2026

The programme was hosted by VIZJA University (Warsaw, Poland).

Individual Research Output

"Promising Designs and Parameters of a Row-Crop Cultivator Section for Full-Width Soil Cultivation in Ukraine's Southern Steppe"

The manuscript was prepared during the internship and will be submitted by the participant to a relevant peer-reviewed professional journal. This certificate does not attest to journal acceptance or publication.

The internship was provided free of charge; no participation fee was charged.

Dr Habil. Yan Kapranov, Professor
Project Coordinator of the ROAD2EU project | VIZJA University

This certificate consists of two pages. The programme structure on page 2 forms an integral part of it.

Funded by the European Union. Views and opinions expressed are, however, those of the author(s) only and do not necessarily reflect those of the European Union or EACEA.
